

Fee schedule for DBI- test mark

The granting of DBI test mark is based on related utilization agreement. So there could be costs for efforts for confirmation, surveillance and renewal of the DBI test mark.

All prices are netto and will be added with requested VAT by national law. Applicant will be the recipient of invoice. But based on confirmation letter it is possible to present authorized representative like distributor as address for invoice. Fees will be charged by invoice without any discount and has to pay immediately. All prices in this document are based on Euro (€).

The location for judgement in case of claims is Leipzig, Germany.
